UEMS — EUROPEAN UNION OF MEDICAL SPECIALISTS

Newsflash

## Towards the “Domus Medica Europea” *The UEMS invites interested medical organisations to join under the same roof*

In June, the UEMS –through its President Dr Zlatko Fras and its Secretary-General Dr Bernard Maillet– purchased its new premises.

On the 29<sup>th</sup> of June 2011, Dr Bernard Maillet and Dr Zlatko Fras signed, in their capacity of representatives for the UEMS, the final Official Act of purchase of new premises for the organisation in the Office of the Notary Me Bruno Michaux in Brussels. This signature finalises the whole process of purchase that was initiated by the UEMS Board’s and Council’s decisions taken over 2010.

As already stated: These new premises, located 24 Rue de l’Industrie at BE-1040 Brussels, were selected not only for their excellent location at the heart of the “European Quarter” but also for their large office space and good state. Now that this building is eventually its property, the UEMS is happy to invite other medical organisations under that roof and thereby make it the much awaited **DOMUS MEDICA EUROPEA**.

Future UEMS Office: Rue de l’Industrie, 24

**The UEMS Executive is very proud of this achievement and reiterates its invitation to all parties interested in this initiative to make themselves known to the UEMS Brussels Office.**

The UEMS is a non-profit organisation which promotes the free movement of Medical Specialists across Europe through the harmonisation of the highest level of training for European doctors. The UEMS currently represents 1,5 million European Medical Specialists through its 35 National Member Associations and its 38 Specialist Sections and Boards which collaborate together in order to set common standards for high quality healthcare practice. Through its activities at the European level, the UEMS is committed to ever-improving the quality of care provided to European citizens.
