

European Academy of Clinical Leadership

**- a project by AEMH -
in collaboration with
UEMS**

**Dr Sergio Bovenga
AEMH 1st President**

Preamble:

**Clinical Doctors are
in the centre of the clinical
leadership activity/competency**

Relevance

- **In the past, hospitals were led by doctors;**
- **The modern option tends to favour trained managers, most frequently non-physicians;**

Relevance

- **An increasing body of evidence shows that appointing physicians into leadership positions secure:**
 - **improved hospital performance**
 - **Improved patient care**

More clinician participation in hospital management =

increased organizational performance in terms of:

- care quality**
- efficiency**
- lower morbidity**
- increased patient satisfaction**

European Clinical Leadership Academy

European Training Requirements

- **Training requirements for senior doctors with clinical leadership experience (fellowship)**
- **Training requirements for trainees**

European Clinical Leadership Academy

European Training Requirements

We will develop a section of the academy dedicated to junior doctors, training modules, more specifically.

We started with the senior doctors, but we will also focus on developing trainings for junior doctors – to follow.

Governance

The Clinical Leadership Academy is governed by AEMH in close collaboration with UEMS.

The Academy is managed in collaboration with other EMOs (FEMS, EJD, CEOM) and universities from different European countries.

The management of the CL Academy is done by the CL Academy Board.
